This catalogue is
a look at our unique
way of interpreting
contract and office
spaces since 1979.

**A compilation of some
of the designs with which
Gabriel Teixidó has always
surprised and thrilled us.**

One

Spaciousness and comfort. Simplicity and innovation. One can create spaces that convey calm, tranquility and serenity.

One is defined by the high quality of the materials that compose it (wood, glass, leather and lacquer) and the craftsmanship of its parts.

K2.K3.

K2 and K3 are comprehensive proposals to convert the office into something more than a workspace.

Infinite combinations
based on versatile
and flexible structures
equipped with
dividers, bookcases
and cupboards.

Aire

With a wide range of accessories conceived and designed to facilitate the organization of the office.

The warmth of home
in the world of the
office. With simple
and elegant forms,
Aire is a collection
destined to last
over time.
